Pinecrest Players Presents

# DRACULA

Adapted by William McNulty

Originally Dramatized by John L. Balderston and  
Hamilton Deane from Bram Stoker's World-Famous  
Novel, *DRACULA*

## Directors' Note

There should be nothing romantic about Dracula's character and this adaptation of the story reflects that. This production represents the battle of Good and Evil. The audience is encouraged to find this duality throughout the show.

This show does contain various content warnings such as ***flashing lights, sudden loud sounds, and religious/violent/mature content***. There is also a ten minute intermission between acts.

We are extremely excited to present a gothic horror inspired show, and we could not be prouder to call this production our 'last hurrah' through Pinecrest Players.

We thank you, the audience, for giving up your time and allowing us to put on a show for you.

-Jin Farwell and Cooper Summers
