Why Sponsor Theatre?

Billing in the Spring Musical will expose your business to many new audiences. In Spring, 2018, over 1,800 audience members saw The Addams Family.

Theatre provides participants with skills that extend far beyond the footlights of the theatrical stage and into the stages of life. Cognitive ability, higher order thinking skills, creativity, focus, improvisation, leadership and responsibility are just a few skills fostered by theatre arts.

With local opportunities for students to be involved in theatre shrinking, Pinecrest Players provides a safe, professional, educational, and fun outlet for hundreds of students each year.
