First Cast Read Through

- Documentation of how the first readthrough goes, as well as reactions to the cast, and how I expect things to go from that point.

Rehearsal Diary

- I expect to start keeping a journal of everything we get done in class each day, including pictures I take on my phone of blocking, set pieces, etc.

Tech Team Meeting

- I'd like to have monthly or weekly meetings with my tech team, depending on everyone's schedules, just to keep track of progress and see that everyone is on the same page.
