The Directors

Calli Brielle McIntyre

I'm so excited to be making my directing debut with this show! I have been a "triple threat" since the age of 3 and I have always loved being onstage. This has been a very eye opening experience and I have learned a lot! I'm so happy to say that I was chosen as 1 of 13 girls out of thousands for the prestigious conservatory at Point Park University in Pittsburgh. I will be starting school there in August, and I will be graduating from the honors program with my BFA in Musical Theatre and hopefully a minor in dance. Some of my favorite roles I have played have been: "Millie" in "Thoroughly Modern Millie", "Wednesday" in "The Addams Family", "Gabiella Montez" in "High School Musical" and "Mary Poppins" in "Mary Poppins." I'm thrilled to be performing as "Velma Kelly" from "Chicago" and other characters from select fosse pieces in Gary Taylor Dance's production of "Broadway, Fosse style" in June! I also wanna give a shoutout to our charity, "Friend to Friend." EMPOWERED WOMEN EMPOWER WOMEN!! Rise up, speak up, and let your voice be heard! Enjoy the show!

Andrew Locklear

Theatre has taught me how to be expressive and communicate who I am. I am going to attend Appalachian State University this fall for Theatre Education, because I enjoy bringing out that feeling in others. Theatre should be a place where you can grow, not where you're constrained by my direction, you should be guided not demanded. I want to help kids find themselves through an art that helped me do the same.

Mr. Faw,

We are so lucky to have had the privilege and honor of having you as our teacher. Not only have we’ve become better artists under your guidance, but also better people. You have taught us so many valuable life lessons that we will carry with us throughout the rest of our lives. You always tell us to tell our story and we are telling you now that you’ve been such a big part of ours. Thank you and Mama Faw for investing so much in us as artist and as people. We can’t thank you enough. Though this is our final bow at Pinecrest, we will leave with the memories, life lessons, and knowledge you’ve given us.

Thank you for everything,

The Class of 2019
