Directors Note

'The 39 Steps Abridged!' is such a ridiculous, silly, and action packed show I couldn't ignore directing. This is the second show I have directed with the Pinecrest Players and I'm so grateful I could direct my last show here. I would love to thank my co-director, Sirela Escala, for putting up with all of my weird and confusing ideas. A big thank you to the cast and crew for putting so much effort into this show and my strange ideas. I would also like to thank my teachers and the community for supporting me through my technical theatre journey, it seriously means a lot. Lastly, I would like to recognize my family, for being my #1 fans.

To quote Winston Churchill, "Never, never, never give up."
- Avery E.L. Brown

This is my second time directing for theater and I'm not the best at writing stuff like this so I'm trying my best. After contemplating directing I can say I am very grateful to take the chances with it. I have learned so much from directing Theater 1 and co-directing the Senior Show. I want to thank everyone involved with this show because of their dedication and patience. Thank you to my co-director Avery for having such amazing ideas that I can learn and follow along with. I'd also want to thank the cast for the laughs and work they have given. I'd want to thank Mr. Faw for teaching us and giving us the opportunity for the Senior Show. I know I am not the best at getting my ideas out or even speaking on them so thank you for the patience with that. I am very proud of the work we've done and can't wait to see the final product.

-The Senior Class of 2023

Avery E.L. Brown Avery quickly fell in love with technical theater after she was the Stage Manager for *The Lightning Thief: A Percy Jackson Musical* (2022). Avery has also worked with the Sunrise Theater on multiple shows such as *Five Women Wearing the Same Dress* (2022).

She's currently pursuing an associate degree in Technical Theatre at Sandhills Community College.

Sirela Escala Sirela has been doing theater since she was about 10 years old and has always loved the experience. She moved to Southern Pines during her junior year and restarted acting after a short break. At Pinecrest she has been in a few shows such as *Among Friends and Clutter*, *One Lane Bridge*, and now *The 39 Steps*. She also co-directed *Everything But*. After Pinecrest, she plans to go to Savannah College of Art and Design to further her work in film acting in their acting B.A program.

Dash Sannutti In Dash's performance of *Among Friends and Clutter*, they played one of the main characters, and now they're able to play another. "I hope this play is as fun to perform as my other productions." Dash plans to attend Mississippi State University in the fall of 2023 to pursue a degree in Chemical Engineering.

Morgan Bedwell Morgan has been in the ensemble for most of her time in the theatre program and has loved every second. This will be her first show where she has not one, but at least 6 speaking roles, and she is very excited.

Her plans after high school includes traveling to study abroad in London over the summer and attending the University of North Carolina in Wilmington to pursue a degree in Marine Biology.

Elliott Leis Elliott has worked on a variety of shows, including *Antigone*, *The Lightning Thief*, *One Lane Bridge*, and *Freaky Friday*. His favorite job was being the lead puppet designer for *The Lightning Thief*, which helped drive his passion for puppetry.

He plans on pursuing puppetry professionally, as both a builder and puppeteer. "High school has really shown me how much I enjoy theatre as a whole."
